The *You: Quantified* Program Support
please use the table below to select a program plan

mandatory **optional** **not offered**

[1] Platform Access
All teachers will be granted access to our *You: Quantified* web app. If your class is on the **Data Scientist Track**, your students' projects will be done on the MindHive platform.

[2] Mentorship Support
In order to receive mentorship support through NYU, you must be able to attend our weekly drop-in PD sessions.

[3] Technology Loan
Our team is happy to loan you our biosensors for the duration of your course. However, if you are interested in purchasing your own devices, we can guide you through this process as well.
